Cleaning Instructions

Use a mild soap solution to clean the seat, and take care that the seat and hinges are not left damp. Dry off any residual water or cleaning agent with a soft cloth. Avoid contact of the seat and hinges with abrasive, corrosive or chlorine-based cleaners, as they may cause damage.

Toilet seat Arquitect

Instruction manual

Material Description

TOILET SEAT: The material is colour ingrained duroplast (UF A 10 = urea formaldehyde) that contains no environmentally hazardous substances. The body consists of approx. 50% urea (NH_2CONH_2), approx. 25% cellulose and approx. 25% formaldehyde (HCHO), as well as small amounts of various fillers and additives.

BUFFERS: EVA (copolymer made of ethylene and vinyl acetate).

MOUNT/HINGE: Stainless steel.

Guarantee

The guarantee includes faults or defects in the material of our products within a periode of 10 years. Products subject to minor technical modifications and design deviations E. & O.E.
